

The image shows a modern exhibition space with a central walkway. On either side of the walkway are tall, black metal frames filled with lush green ferns, creating a vertical garden effect. The floor is a light-colored, polished concrete. In the background, other exhibition booths and people can be seen. A semi-transparent pink and orange rectangular box is overlaid in the center of the image, containing the text 'STYLEME LOOK BOOK' and 'VOL.1 | 2018'.

STYLEME LOOK BOOK

VOL.1 | 2018

IN THIS VOLUME

Welcome to the StyleMe Look Book.

Within the pages of our Look Book you'll discover event styling trends that can help you transform an entire event, style an exhibition stand, or create bespoke feature areas.

Beyond our spreads of millennial pink, dark wood and ideas of creating unforgettable environments for attendees, you'll see how we've worked to create truly memorable marquees and event environments.

Finally, we're pleased to share with you our latest furniture release - covering both indoor and outdoor with 22 new items in total. Our styling team has worked to curate a series of photoshoots, with you the event organiser in mind.

Each shoot demonstrates the versatility, style and functionality of the pieces – making your job just that little bit easier!

So, what are you waiting for? Have a flick through...

MILLENNIAL PINK

OFFICIALLY unleashed into the world in 2017, Millennial Pink continues to move in strides this year.

Although subtle in colour, there's no doubting its ability to stand out when combined with gold, greys, nudes or even bold coral. Let this powdery pink take shape and apply it in patterns

DARK WOOD

Dark wood provides a solid foundation for colour and texture to flourish. Get creative with colours of all hues, materials and even greenery.

When applied as an accent to dark wood, colours of all vibrancy prosper and create eye catching focal points. Greenery can also be added to the natural ambiance, complementing the materials by creating an indoor/outdoor feel.

FABRIC

THE luxury of velvet provides a modern twist to retro style.

It's amazing how fabric can transform your space as if by magic. Lift flat tones and give your event area depth by upholstering cushions and seating with a luxurious velvet. You can pair it with metallic accents to add a touch of extravagance or drape it creatively to tie a space together.

CASE STUDY

SANCTUARY COVE INTERNATIONAL BOAT SHOW

EXPONET'S Events Division was selected to build and fitout temporary structures along the idealic Sanctuary Cove marina for their annual International Boat Show, taking advantage of the setting, sights and sounds.

Using our premium marquees, ExpoNet built and styled the environments that complemented the aesthetics and materials in the area, whilst also ensuring that the spaces remained functional and accommodating to the movement and flow of the people traffic at the event.

The image shows a bright, modern interior space, likely a lounge or office area. It features large windows with white frames that let in plenty of natural light. The furniture is primarily white, including a large sectional sofa, a coffee table, and several chairs. Numerous potted plants, mostly green leafy varieties, are placed throughout the room, adding a natural touch. A striped cushion is visible on the sofa. In the background, there's a white shelving unit with some plants and a framed picture of a building. The overall aesthetic is clean, bright, and relaxing.

WORKING with a colour palette of white, gold, green and wood textures, ExpoNet created an environment that felt clean, seaside inspired and relaxing...

A great place to sit and relax.

GRAZE ALFRESCO DINING AT SYDNEY ROYAL EASTER SHOW

ESTABLISHED in 2017 at the Sydney Royal Easter Show, Graze Alfresco Dining is The Show's international destination of culinary delights from across the continents.

With an overall contemporary take on a traditional ranch setting, the styling for this space was dominated by wood textures and tones, contrasted with white accents in the form of furniture and signage.

This space was designed to be functional and partially open air.
